Brain Injury Alliance
CONNECTICUT

Call for POSTERS

The Brain Injury Alliance of Connecticut (BIAC) is seeking poster proposals through December 11, 2026 for its Annual Professional Conference, taking place Thursday, March 4, 2027 at the Yale West Campus, Orange, CT.

Overview

We invite students and professionals to share research, clinical work, or educational initiatives related to brain injury through a poster presentation at the 2027 annual conference.

Poster proposals should relate to brain injury, rehabilitation, support, research, education, advocacy, or another topic relevant to the conference audience.

The audience consists of professionals working in the field of brain injury, including social workers/care managers, medical practitioners, clinicians (PT, OT, SLP), psychologists, and direct care staff.

What to Submit

- Presenter name, email, and phone
- University/organization and affiliation (student or professional)
- Poster title
- Abstract or description (350 words max) covering the purpose/topic, key findings or information to be shared, and relevance to people with brain injury and/or the professionals who support them
